After a review of the Consent Agenda, including the February 25, 2021, agenda; January 28, 2021, Board meeting minutes; financial reports; two contracts totaling \$1,920.00 in January 2021; and employment recommendations for Robert Lund – Evening Custodian, Austin Whiteaker – Evening Custodian, and Chris Reuter – Evening Custodian, Mr. Tuescher moved to approve the Consent Agenda, as presented. Ms. Fitzsimons seconded the motion; motion carried on a unanimous roll call vote.

President Wood had shared an article with the Board on "Using Megatrends to Shape Strategy." Based on the article, each Board member had the opportunity to share feedback related to how the college invests for long-term disruption while continuing to win in the short run and how does the college solve the now, explore the next, and imagine the beyond. Demographic trends and decarbonization are important factors to consider as the college moves forward in the short-term and long-term, how does our program mix need to change to offer jobs of the future, and the college needs to remain nimble as this is only the beginning of the changes. Cynde Larsen, Executive Dean of Health Occupations, presented the WTCS Concept Review request to develop an associate degree program in Surgical Technology, 10-512-1. Surgical technologists are allied health professionals who are an integral part of the team of medical practioners providing surgical care to patients in a variety of settings. Surgical technicians work under medical supervision to facilitate the safe and effective conduct of invasive surgical procedures. Mr. Tuescher moved to approve the concept review for an associate degree in Surgical Technology, 10-512-1. Ms. Jordie seconded the motion; upon a roll call vote with all members voting affirmatively, the motion carried.

Caleb White presented information relevant to the budget assumptions and parameters for 2021-22. The strategic directions and priorities were reviewed, which included strategic direction 1 - Engage Students in High-Quality Learning with two priorities -Academic Master Plan will be the guide for program investments and Quality Improvement through Accreditation; strategic direction 2 – Strengthen Culture of Accountability with two priorities - College Transformation of Excellence-Enterprise Resource Planning System upgrades and More Students Learning More – Student Recruitment; and the third strategic direction - Enhance the College's Economic Impact with one priority - Development of small business development center for small business startups. The budget assumptions included a slight increase in valuation, tuition rates, and state aid; elimination of the application fee and online fee; increase in health insurance rates by 2 percent; dental insurance rates will remain flat; utility rates will increase 0-3 percent, grant funding is expected to remain flat, WI Retirement System contribution rates remain the same; projecting 1250 FTEs; and a CPI increase of 1.23 percent on wages with performance management increases. At this time, the budget gap is approximately \$1,500,000. This is the first look at the budget with no prioritization completed. The biggest decrease is in revenue and expenditures are 3 percent higher. Mr. White will bring the budget development back to the Board each month starting in April until it is approved at the June meeting.

The Project RISE team of Matthew Baute, Director of Enterprise Applications/Project Rise Project Manager; Sarah Delegge, Project RISE Project Manager; and Heath Ahnen, Director of Information Technology Services provided an update on the Enterprise Resource System (ERP) project. The implementation phase is one-third of the way complete and is on schedule and on budget. Historical data since the beginning of the college is being loaded into the system, Finance will go live July 1, design and blueprinting have been completed, data mapping (configuration) has started - currently in phase 1 of student, the new general ledger structure has been developed, and work is beginning on automating business processes and aligning staff to valueadded activities. The Risks – Assumptions – Issues – Dependencies (RAID) chart was reviewed noting current risks include the continuing ed shopping car experience, state reporting by fiscal year, contract courses and charges, course versioning, and revenue tracking at the course level. There are no assumptions or issues at this time. Under the dependencies category the decision has been made to load all the data since the beginning of the college, need a solution for custom transcripts, and in process of deciding on the third-party software for timekeeping. Caleb White reported there are

vendor demonstrations for the timekeeping software next week and a detailed update along with the RFP recommendation will be brought to the Board in March. Dr. Wood shared early on there were some issues Anthology with billable hours and being on time and on schedule. Those issues have been mitigated with the vendor, and things are progressing well.

Caleb White and Dan Imhoff, Director of Facilities, reviewed the long-range draft Facilities Plan. Mr. White noted as part of the budget development for capital funds, a capital process through a facilities master project was started. The full plan will be presented to the Board in July. The plan is a 10-year projection of capital expenditures by year. Mr. Imhoff review the first three years beginning with the 2020-21 fiscal year. He noted the auditorium project is on schedule and will be completed this spring. Some of the projects highlighted for FY22 and FY23 included lighting, lock system, and roof top unit upgrades; Buildings 100, 200, and 300 clerestory window replacement; a bridge crane for the 1716 shop; farmette improvements; interior signage; and remodel of the Lenz Center/Cafeteria/Culinary. Also included in next year's plan is an alternative energy project. The first year will included a study of what can be done with a prioritized plan implemented in subsequent years.

The College Council has been working on developing a new College Value on Inclusivity, under the direction of Krista Weber, Chief Human Resources Officer. A draft inclusivity value along with updates to the other values were presented to the Board. The values will be brought back to the Board in March as a first reading of the policy.

An update on College staffing was provided by Krista Weber. She noted the evening custodian positions are starting to be filled and there is a limited-term employment assistant position in Financial Aid/Business Office which has been posted.

The 2020-21 Comparison Year-Over-Year FTE Report and the Fall 2021 Application report were reviewed. The FTE report indicated a 4.8 percent decline in FTE compared to one year ago. The Fall 2021 Application Report reflected 44 more applications received compared to last year at this time. Medical Coding Specialist has increased 60 applications and plans are being put into place to run a second section of the program in the fall.

Mr. Bolstad presented a letter from the WI Technical College District Boards Association seeking nominations for the District Board Association's officers. The nominating committee would like Mr. Bolstad to be on the ballot for vice president. Board consensus was given to nominate Mr. Bolstad for the vice president position. Mr. Bolstad noted that the Boards Association is looking at moving to in-person meetings.

Ms. Wonderling discussed the partnership between Fennimore Schools and Southwest Tech related to providing opportunities for Fennimore High School students to earn credits while in high school. Sixteen transcripted credit courses and two advanced standing courses were offered to Fennimore High School students. In addition 25 students participated in Start College Now courses, 13 students enrolled in Summer 2020 courses, and 4 students enrolled in the Welding Academy. CLEP test results included 4 of 5 students passing and earning the Southwest Tech credit. All-in-all, Fennimore High School students earned college credits totaling more than \$100,000.

Under the College President's Report, Dr. Wood provided a WI Technical College System (WTCS) Update noting the Presidents' Association is focusing on the 36.21 legislation which was not included in the Governor's budget, UW System President Tommy Thompson's recent article regarding the UW System and WTCS and combining of efforts, and the COVID federal relief funding. Dr. Wood also noted there is new compliance guidelines in the Financial Administrative Manual regarding a certified diversity supplier vendor list (minority, veteran, and women) who will receive a 5 percent allowance when bidding for contracts. Other items noted include the Board Appointment meeting will be held on March 18, a CARcade will be held on campus for graduation, and in the Phase IV plan of the COVID Return to Campus Plan an inperson/online option for Board meetings is included.

Mr. Tuescher moved to adjourn to closed session for the purposes of deliberating over potential college property opportunities per Wis. Statutes 19.85(1)(e), discussing specific personnel issues per Wis. Stats. 19.85(1)(f), and discussing the President's Contract per Wis. Stats. 19.85(1)(c). Mr. Blume seconded the motion. Upon a roll call vote with all members voting affirmatively, the motion carried and the meeting adjourned to closed session at 8:43 p.m.

The Board reconvened to open session at 9:39 p.m. With no further business to come before the Board, Mr. Blume moved to adjourn the meeting with Ms. Fitzsimons seconding the motion. The motion carried and the meeting adjourned at 9:40 p.m.

A. Round Robin: Expectations of Remote Work

This is an opportunity for each Board member to share their perspective. We are planning an in-person Board meeting in April which may or may not serve as our annual spring retreat. The topics will determine the best format for the meeting and who to include.

- 3. What is something you'd like to learn more about at the college? These suggestions will probably be presentations from faculty and staff.
- 4. What topics would you like to discuss together as a Board?

Other Items Requiring Board Action

A. RFP: External Auditor

A Request for Proposals (RFP) to provide auditing services for the College was conducted recently with proposals due on January 22, 2021. Proposals were received from five (5) vendors. A summary of the RFPs is included below. Caleb White will present the RFP summary.

<u>RECOMMENDATION</u>: Award the RFP for Auditing Services to Clifton, Larson & Allen, LLP of Wauwatosa, WI.

Auditing Services RFP #21003

Proposals to provide auditing services for the College were received on Friday, January 22, 2021. The scope of the Request for Proposals (RFP) included the performance of audits of financial accounts and records covering fiscal years ending June 30, 2021, 2022, 2023, 2024 & 2025, with an option to renew for two more fiscal years, for the purpose of rendering an auditor's opinion regarding the fairness of the financial statements in accordance with generally accepted auditing standards and accounting principles. Proposals were received from five (5) vendors.

An evaluation team consisting of Kelly Kelly, Caleb White and Kim Govier reviewed and rated the proposals based on the following evaluation criteria:

- A. Price 20%
- B. Qualifications 30%
- C. References and Higher Education Experience 25%
- D. Relevant Experience/Technical Approach 25%

The evaluation team's average composite score ranking from high to low is as follows:

			Team Avg.	
Ranking	Vendor		Points	5-year Cost
1	Clifton, Larson & Allen LLP	Wauwatosa, WI	87.5	139,001
2	Wipfli LLP	Madison, WI	85.25	130,200
3	Sikich LLP	Brookfield, WI	81	112,396
4	Rehman Robson LLC	Traverse City, MI	79	117,600
5	Plante & Moran PLLC	Portage, MI	67	220,700

Recommendation: Award the RFP for Auditing Services to Clifton, Larson & Allen LLP.

A. Wisconsin Technical Colleges Employee Benefits Consortium (WTCEBC) Update

Karen Garvey, Executive Director of the WI Technical College Employee Benefits Consortium (WTCEBC), will present an update on the overall Employee Benefits Consortium and how that affects Southwest Tech. Caleb White; Connie Haberkorn, HR/Benefits & Compensation Manager; and Krista Weber, will be present for questions. Included below is information which will be presented.

2020 Update - Prepared for Southwest Wisconsin Technical College

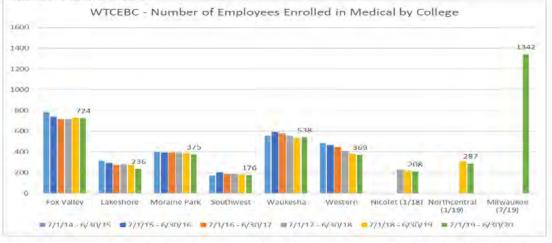

March 25, 2021

Mission Statement -The mission of the WTCEBC is to provide long term value, provide high quality benefits through strategic collaboration and implement cost control initiatives for member colleges and their employees.

Vision - WTCEBC will be the leader in cost effective and innovative employee benefits

WTC-EBC Executive Summary

 Membership has grown to nine colleges and 4,260 employees and four Associate Memberships (i.e. accessing voluntary benefit programs through the WTCEBC)

- Stop loss insurance premium savings continues to be the most significant savings to members with almost \$26 million in cumulative savings since July 2015 (including the 7/1/2021 renewal).
- The number of large claimants (i.e. individuals with claims greater than \$100,000) continues to grow, by more than doubling since FY2016 and outpacing the growth in membership at 42%.
- Strategic initiative to address claims costs, health advocacy and patient navigation underway with Accolade Total Health & Benefits (Accolade). Accolade becomes the single point of entry for all health and benefits questions and needs for each college's employees and their families. Through this dedicated model of health assistants and nurses, who are supported by a deep bench of experts and clinicians, this model delivers improved health outcomes for the member population, and substantial, sustainable cost savings including a guaranteed ROI in each service year.
- Autonomy in plan design maintained while per employee per costs for medical and pharmacy remain flat since 2015. Actuarial
 values of plans continue at above benchmark for majority of schools
- 2020 Key Accomplishments
 - Associate Membership added to allow access to voluntary benefits
 - Evaluation of current WTCEBC financial model; Key Performance Metrics established
 - Requests for Proposals:

 Per Employee Per Year Medical & Rx costs (PEPY) – Southwest's PEPY reflects a -3.4% compound annual growth rate (CAGR) from FY16 to FY20. The WTCEBC's PEPY reflects a CAGR of -0.1%.

• Southwest's 2020 plan design has an actuarial value of 91.3%, not including HSA funding, reflecting a richer benefit than the benchmarks

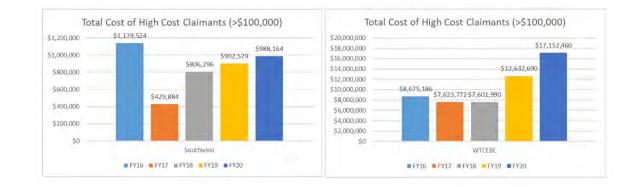

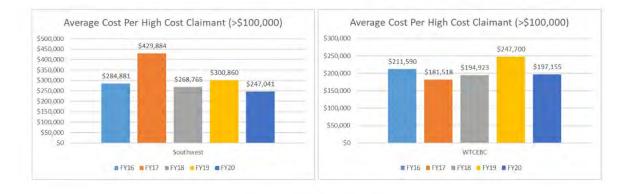

2020 Update Southwest Wisconsin Technical College

✓ Large Claimants (>\$100,000) – Southwest's number of large claimants has remained fairly steady except for the decrease in FY17. However, the total cost of high cost claimants is on an upward trend and the average cost per high cost claimant is consistently higher than the WTCEBC average.
