Other Items Requiring Board Action

A. Ad Hoc Committee: Executive Board Leadership

Based on the conversation at the July 11, 2022, Board meeting, modifications have been made to the Ad Hoc Committee Executive Board Leadership charter. The draft Ad Hoc Committee: Executive Board Leadership charter is shown below.

<u>Recommendation</u>: Approve the modifications to the Ad Hoc Committee Executive Board Leadership charter.

Ad-Hoc Committee: Executive Board Leadership

Charge: The purpose of the Executive Board Leadership (EBL) Ad Hoc Committee is three-fold:

- 1. Strengthen the Board leadership pipeline through mentoring and training.
- 2. Enhance Board member relationships of trust through collaborative leadership.
- 3. Ensure continued inclusion of diverse thoughts and ideas in the Board decision-making process.

Timeline: The EBL committee will meet four times throughout the year. The Board will conduct an analysis of the effectiveness of the committee through a debriefing process during the spring 2023 retreat. Board members will share their perspectives on the effectiveness related to the purposes outlined above and determine if the committee should continue, make revisions, or disband.

Membership: The EBL shall be comprised of the Board Chair, Vice-Chair, and the immediate past Chair. The Board Chair will also appoint one other Board member who is serving in their first term. The President of the College and the Acting Presidents will serve as resources by developing the agenda, providing content, and serving as advisors. The EBL meeting will only occur if three of the four Board members are able to attend. The President will determine the best way to take notes/minutes. Meetings are tentatively scheduled for:

- September 20, 2022 at noon or September 22 at 5:00 pm
- December 14, 2022 at noon or December 15, 2022 at noon
- March 1, 2023 at noon or March 2, 2023 at noon
- TBD based on need

Responsibilities: The EBL will only address the following as standing agenda items:

- Reach out to faculty, staff, and friends of the college to express condolences for the loss of loved ones, celebrate birthdays, or express gratitude for exemplary performance at work. Messages conveyed to faculty, staff, and friends of the college will emphasize our College Values whenever possible.
- Review potential Board agenda items to focus on improving College Health Indicator #1 Student Learning/Special Populations. Design ways for everyone to share their perspective or ask questions to learn more. Conduct deeper research on key policy initiatives related to longterm planning and report findings to the Board as a whole for deliberation and decisions.
- Develop a Board self-evaluation process to be considered and implemented by amendment and/or approval of the full Board.

The EBL will not:

- 1. Engage in influencing or making decisions for the Board.
- 2. Discuss operations of the College delegated to the President.
- Conduct college-related business outside of the committee except during formal Board meetings.

Reporting to the Full-Board: The EBL will report to the full board during each Board meeting to facilitate broader dialog and development. Verbal reporting responsibilities will rotate among the members of the EBL.
