## **BOARD MEETING NOTICE/AGENDA**

Thursday, January 26, 2012

6:15 p.m. – Light Supper 7:00 p.m. – Regular Board Meeting Room 492-493 – College Connection

#### ANNOTATED AGENDA

#### **OPEN MEETING**

The following statement will be read: "The January 26, 2012, regular meeting of the Southwest Wisconsin Technical College Board is called to order. This meeting is open to the public and in compliance with state statutes. Notice of the meeting has been sent to the press and posted on campus and in the City of Fennimore in an attempt to make the general public aware of the time, place and agenda of the meeting."

- A. Roll Call
- B. Reports/Forums/Public Input

#### **CONSENT AGENDA**

A. Approval of Agenda

The agenda is included with the electronic Board material.

B. Minutes of the Regular Meeting of December 22, 2011

Minutes of the December 22, 2011, regular meeting are included with the electronic Board material.

#### C. Financial Reports

- 1. Purchase Orders Greater than \$2,500
- 2. Treasurer's Cash Balance
- 3. Budget Control

Each report is available electronically with all other Board material. Caleb White, Director of Fiscal Services, will be at the meeting and available for questions.

#### **D. Contract Revenue**

In December 2011 there were 21 contracts totaling \$42,103.21, which are being presented for Board approval. The Contract Revenue Report is included with the electronic Board material.

**<u>Recommendation</u>** – Approve the consent agenda.

## **CONSTRUCTION UPDATE**

## A. Public Safety Building

Doug Pearson, Director of Facilities, will provide an update on the current construction of the Public Safety Building.

## **OTHER ITEMS REQUIRING BOARD ACTION**

#### A. Financial Audit (2010-11)

Earl Engelson of Engelson & Associates, Ltd., LaCrosse, will present the audit report. A fund balance statement as of 6/30/11 for each of the seven funds are available electronically with all other Board material. The full Audit Report will be available at the Board meeting.

**Recommendation:** Approve the 2010-11 audit report as presented.

#### B. Building 300-400 Space Plan

Doug Pearson will present the master space plan, estimated phasing, and projected costs for Board approval. The Building 300-400 space plan is included with the electronic Board material. The revised Three-Year Facilities Plan will be available at the Board meeting.

**Recommendation**: Approve the Building 300-400 space plan.

#### C. Landscape Master Plan

The landscape master plan will be presented for approval and is included with the electronic Board material. Garrett Perry from Design Studio, Etc. and Doug Pearson will be present for any questions.

**Recommendation:** Approve the Landscape Master Plan.

#### D. Community Service Courses

Southwest Tech has not offered Community Service courses (Aid Code 60) in a number of years. The College would like to begin offering these courses again on a limited basis. Offerings would be priced at a minimum fee based on the cost recovery method currently used for most contracts up to a fee that the College feels the market will bear. Caleb White will be available to demonstrate how the current cost recovery method is calculated.

**<u>Recommendation</u>**: Approve the College to offer Community Service courses with offerings priced at market rates but with a floor of the cost recovery method currently employed by the College for contracts.

#### E. Liquor License

A "Class B" liquor license would allow the College to host professional meetings, events, and fundraisers where it is desirable to serve liquor. It would also allow us to fill a current hole in our Culinary Management curriculum. Jeff Dombeck, Culinary Management Instructor, will be the College's official agent.

**Recommendation:** Authorize the College to obtain a "Class B" liquor license.

## F. Personnel

#### 1. Employment

a. Medical Laboratory Technician Instructor

Laura Bodenbender, Director of Human Resources, will be present to discuss the employment recommendation for a Medical Laboratory Technician Instructor. The recommendation is available electronically with all other Board material.

**<u>Recommendation</u>** – Approve the employment recommendation for Joan Young for the Medical Laboratory Technician Instructor at a salary of \$54,485 for the 2011-12 year.

b. Basic Education Instructor

Laura Bodenbender, Director of Human Resources, will be present to discuss the employment recommendation for a Basic Education Instructor. The recommendation is available electronically with all other Board material.

<u>**Recommendation**</u> – Approve the employment recommendation for Brenda Schwarzmann for the Basic Education Instructor at a salary of \$49,759 for the 2011-2012 year.

## **BOARD MONITORING OF COLLEGE EFFECTIVENESS**

#### A. Staffing Update

Laura Bodenbender, Human Resources Director, will provide an update on College staffing. A summary is available electronically with all other Board material.

## INFORMATION AND CORRESPONDENCE

After reviewing the consent agenda, Mr. Carlin moved to approve the consent agenda including the December 22, 2011, agenda; November 10, 2011, Board minutes; financial reports; contract revenue totaling \$298,900.22 for 20 contracts; and the Grant County Economic Development Corporation lease for 2012. Mr. Moyer seconded the motion; motion carried.

Doug Pearson, Director of Facilities, updated the Board on the current construction of the Public Safety Complex noting the complex is complete except for the Public Safety Building. Olympic Builders has yet to pay some subcontractors so the College will be holding money from Olympic until all the subcontractors have been paid. Because the

landscaper is no longer in business, Mr. Pearson is seeking other contractors to provide a two-year maintenance contract.

The roof will be in place on the Public Safety Building by the end of the month. The contractor is on target for a March 2012 completion date. The Board inquired about asphalt paving at the complex, which Mr. Pearson communicated paving is in the Three-year Facilities Plan for 2013.

Steve Kieckhafer from the architectural firm of Plunkett Raysich reviewed the floor plan and explained the process for a remodel of the College Connection (400) and Kramer Administration Building (300). The process used to develop the proposed plan included reviewing current staff members' space conditions and projected programming needs. Dr. Ford communicated his goal was for student activities to incorporate the patio and grounds on the west side of the main buildings, to have the Lenz Center be located at the front of the College, to expand the Library, and to co-locate staff members who work with employers. The configuration for the Lenz Center would allow for 100 more seats and would be approximately 2,000 square feet larger than the current Lenz Center. Discussion followed on what would be in the Student Activities area, whether an auditorium would be used more than the conference center, and engaging the public if the Lenz Center is moved to the front of the building. It was decided that with the conference center plan, the space could be divided off into multiple rooms whereas an auditorium would not have that functionality.

The total project is estimated at \$6 million and Dr. Ford feels that moving some of the areas is important to the layout of the College. Space in the administrative office area and in the two former automotive labs is currently vacant and inefficiently used.

Mr. Pearson presented the landscape plan focused on improving the College image, developing functionality, and identifying key areas. The plan includes improvements to Bronson Boulevard and the main entrance, improved access to the cosmetology salon and patio area, and improvements in the green space around campus. Mr. Pearson noted that the intent of the landscape master plan is long-range planning, and that the landscape architect will be creating detailed plans for the focus areas. The Board requested fewer trees be included in the detailed plans.

Three-year and four-year facilities plans incorporating the space and landscape plans in phases were discussed. With the options presented by Mr. Pearson, the costs for the landscape and space plans would be disbursed in three or four years with the total costs remaining the same regardless of the implementation timeframe. It was noted these plans are a portion of the back fill plans proposed in the referendum planning, but will not be paid for with referendum dollars.

Caleb White, Director of Fiscal Services, electronically presented the existing debt service as well as projections for borrowing \$2 million, \$2.5 million, or \$3 million annually as a five-year note to fund capital improvements. Mr. White explained that in the recent past the College has borrowed \$2 million or \$2.5 million annually, of which \$800,000 is earmarked for equipment. The current reserve for debt service is at \$1.3 million. After discussion, the Board deferred action until January on the Building 300-400 Space Planning.

Mr. White presented three new student clubs' charters for Board approval and explained that all have completed the necessary steps to be recognized as official Southwest Tech student clubs. The clubs include iClick, Golf Course Management, and Student Physical Therapist Assistant. Mr. Tuescher moved to approve all three students clubs with Ms. Fitzsimons seconding the motion. The motion carried.

Mr. White also presented 2011-12 Board/Club Reimbursement costs for all approved student clubs. In November 1976 the Southwest Tech Board of Directors approved providing funding to official student clubs at a rate of \$5 per member each year, which has continued to this day. Discussion followed on whether the Board should continue to reimburse the clubs \$5 for each member. It was noted that the student activities fee increased several years ago and that Student Senate has extra money that could cover this fee. Mr. Tuescher moved to remove the \$5 funding per member from the Board. The motion was seconded by Ms. Nickels; motion carried.

In the Personnel Report, Laura Bodenbender, Director of Human Resources, presented an employment recommendation, a resignation, and a retirement for Board approval. For the Nursing-Associate Degree Instructor position, five applications were received with four not meeting the qualifications, and the remaining applicant was interviewed. Ms. Bodenbender recommended Dana Oswald for approval for this position. Mr. Moyer made a motion to approve Dana Oswald as a Nursing-Associate Degree Instructor at a pro-rated annual salary of \$54,485 for the 2011-12 fiscal year. Ms. Nickels seconded the motion; motion carried.

The Board reviewed a request for resignation from Joni Wedig, Medical Laboratory Technician Instructor. Mr. Carlin moved to accept the resignation of Joni Wedig, Medical Laboratory Technician Instructor, effective January 11, 2012. Mr. Isaacson seconded the motion; motion carried.

Ms. Bodenbender presented for Board approval the retirement of Sheila Marmorstone. Ms. Marmorstone is an Academic Success Center Instructor and has been employed with the College for 13 years. Mr. Tuescher moved to accept the retirement of Sheila Marmorstone, Academic Success Center Instructor, effective January 11, 2012. Mr. Carlin seconded the motion; motion carried.

Under the Board Monitoring of College Effectiveness agenda item, the District Board reviewed the administrative Facilities Usage Policy. Mr. Pearson stated that the old policy was rewritten to address gaps in charging for facilities and to incorporate the Public Safety Complex facilities. The new policy goes more in-depth and will be evaluated in one year for any potential deficiencies.

Also included in the Board Monitoring was a staffing update. Ms. Bodenbender presented a document used to track personnel changes. She noted that this update will be provided monthly.

The FTE Report was explained by Mr. White. It was noted that the numbers reflect the fall semester and a portion of spring registration. The College is trending at a seven percent decrease in FTEs compared to the previous fiscal year. Mr. White will bring to the Board at a future meeting the affect the decrease in FTEs will have on the College budget.

Mr. Kohlenberg informed the Board that \$1,091 is needed in donations to the Southwest Tech Foundation in the Heartland Give Local campaign. Heartland Credit Union is matching 25 percent of donations given through this campaign. They are accepting donations through January 10.

Under the President's Report, Dr. Ford shared he has been investigating the College holding a liquor license. The cost would be \$300 plus \$10-15 per year for a Class B license. This would allow the College to host events not typically held at Southwest Tech, pursue beverage companies for donations through the Foundation, and be used in the Culinary Management program. Dr. Ford does not envision the College using the license that often and it would not affect our liability insurance. The license would not be for student activities, but for professional groups and potentially fundraising. Dr. Ford will do more research and bring it back to the Board for approval.

The tentative February Board Retreat agenda was reviewed. The Board expressed concern with the length of the agenda and suggested Dr. Ford add messages from his district tour. The Board was updated on public meeting statutes as it relates to minutes and publishing of agendas.

Mr. Tuescher moved to adjourn to closed session, with Mr. Carlin seconding the motion. Upon a roll call vote where all members voted affirmatively, the meeting was adjourned to closed session at 9:15 p.m. The Board reconvened in open session at 9:37. With no further business to come before the Board, Mr. Carlin moved to adjourn the meeting. Ms. Fitzsimons seconded the motion. The motion carried and the meeting adjourned at 9:37 p.m.

Melissa Fitzsimons, Secretary

## B. Building 300-400 Space Plan

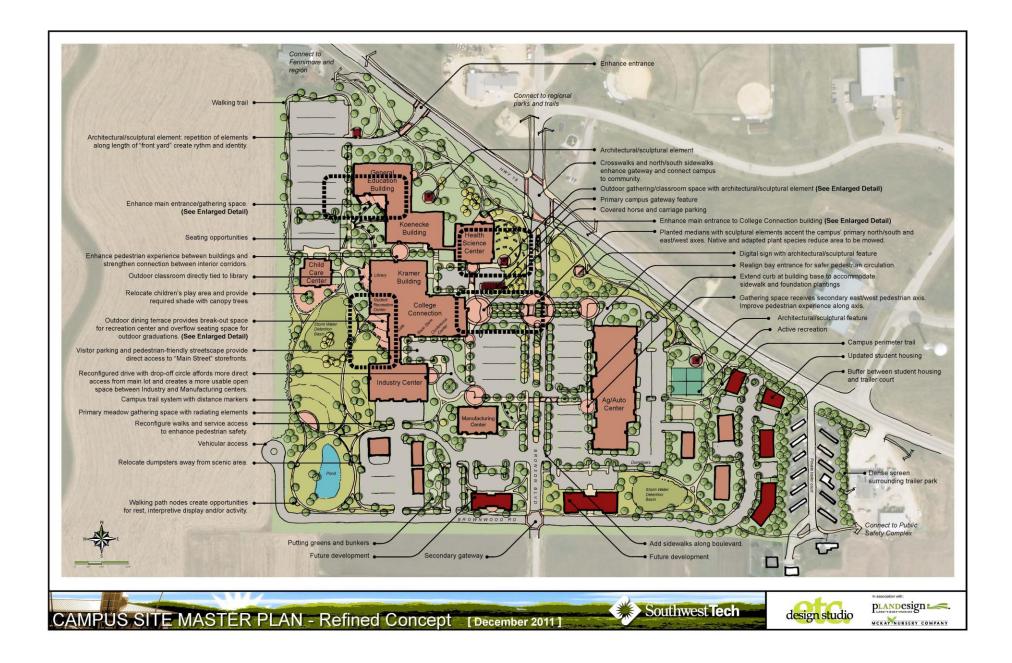

Doug Pearson will present the master space plan, estimated phasing, and projected costs for Board approval. The Building 300-400 space plan is available below. The revised Three-Year Facilities Plan will be available at the Board meeting.

**Recommendation**: Approve the Building 300-400 space plan.

## C. Landscape Master Plan

The landscape master plan will be presented for approval and is available below. Garret Perry from Design Studio, Etc. and Doug Pearson will be present for any questions.
<u>Recommendation</u>: Approve the Landscape Master Plan.

## D. Community Service Courses

Southwest Tech has not offered Community Service courses (Aid Code 60) in a number of years. The College would like to begin offering these courses again on a limited basis. Offerings would be priced at a minimum fee based on the cost recovery method currently used for most contracts up to a fee that the College feels the market will bear. Caleb White will be available to demonstrate how the current cost recovery method is calculated.

**<u>Recommendation</u>**: Approve the College to offer Community Service courses with offerings priced at market rates but with a floor of the cost recovery method currently employed by the College for contracts.

## E. Liquor License

A "Class B" liquor license would allow the College to host professional meetings, events, and fundraisers where it is desirable to serve liquor. It would also allow us to fill a current hole in our Culinary Management curriculum. Jeff Dombeck, Culinary Management Instructor, will be the College's official agent.

**Recommendation:** Authorize the College to obtain a "Class B" liquor license.
