

Dual Enrollment Students

Apply to Southwest Wisconsin Technical College (SWTC) today!

Please complete these steps as soon as possible so your registration goes smoothly.

How to apply online:

1. Go to the SWTC Apply portal at <https://apply.swtc.edu>
2. Log in with a current account if you have one. Otherwise, create a new Apply account by using a personal email address (avoid school or work emails).
3. Choose **Spring 2027** as the Expected Entrance Term, then the program you are applying for: **Start College Now, ColLEDGE Up, or Youth Apprenticeship** under Program Applying For.
4. Complete the remainder of the application. All required fields are marked with a red *
5. Submit the application and check your email for a confirmation.

Tip: Make sure the email you use is unique to you and easy to access. Using a misspelled email or the same email as another student can block account creation.

Frequently Asked Questions:

1. Can I login with my SWTC Student account information if I'm taking a class?
 - Yes, you can login using your Southwest Tech email address and self-created password.
2. Can I login using my Driver's Education email and password?
 - No, you can't login using your Driver's Education account. You will need to use a personal email and create an apply account password.
3. If I've logged in before with a personal email, can I use that email again?
 - Yes, if you don't remember your password, you can use the reset password button to have next steps sent to your email. Please ensure you type your email correctly!
4. Why won't my reset password go to my email?
 - Please ensure you verified your email address, if not, the email will not go through, and you will need to contact our IT department.
