

PISTONS TO PATHWAYS

AUTOMOTIVE TECHNICIAN DEALERSHIP ACADEMIES

**Do you love problem solving and diverse work?
Are you detail-oriented and ambitious?**

Take the first step towards this rewarding career by enrolling in Pistons to Pathways as a high school junior or senior!

If you possess these attributes and you love cars and trucks, you may have what it takes to pursue a career as an auto technician.

- Mechanically inclined
- Good reading and math skills
- Enjoy hands-on work
- Get along well with others
- Think logically
- Pay attention to details
- Be able to lift 50 pounds

You will earn both high school and college credit. You may also enroll in the CESA #3 Youth Apprenticeship Program for a work-based learning experience to enhance the skills learned in the classroom. Following high school graduation, you may then continue into the Automotive Technician program at Southwest Tech with up to 6 program credits already completed!

Plan to set aside your Wednesday evenings beginning on September 1, 2021, through May 18, 2022, to participate in a face-to-face automotive class held at one of the following automotive dealership locations:

- **Fillback Family of Dealerships**
Boscobel, Prairie du Chien, Richland Center
- **Hallada Motors**, Dodgeville
- **Pioneer Ford**, Platteville

COURSES

FIRST YEAR: JUNIOR OR SENIOR

32-404-314 Automotive Maintenance
3 credits (36 lecture hours; 72 lab hours)

Students perform routine maintenance of the automobile including new and used car preparation, fluid checks and service, interior and exterior considerations, replacing filters and small parts, repairing tires, replacing belts, replacing wiper blades, and other repairs to maintain acceptable automobile performance.

THE COURSE FOR THE SECOND YEAR IS TO BE DETERMINED AT A LATER DATE
Please go to www.swtc.edu/colledgeup for up-to-date information.
