NOTE: Heartsaver CPR/AED First Aid is typically offered annually in the Fall Semester but is based on the needs of apprentices. Current Heartsaver CPR/AED First Aid certification is a mandatory requirement of the apprenticeship program. Certification cards must be submitted to Morgan Zach every two years.

NOTE: Apprentices are required to complete a **30-hour OSHA Construction** certification course within the first year of the apprenticeship. The following are some online options (we do not endorse any specific vendor) or you can enroll somewhere else. Upon completion, provide Morgan Zach with a copy of your completion certificate/card.
