Isometric Interpretation & Drawing	50-427	558	0001	$90.96

*** When you are in your last semester of PRI (day school), you will need to enroll in Plumbing Advanced Topics/TSA 50-427-758 instead of the scheduled PRI course. ***

NOTE: Heartsaver CPR/AED First Aid is typically offered annually in the Fall Semester but is based on the needs of apprentices. Current Heartsaver CPR/AED First Aid certification is a mandatory requirement of the apprenticeship program. Certification cards must be submitted to Morgan Zach every two years.

NOTE: Apprentices are required to complete a **30-hour OSHA Construction** certification course within the first year of the apprenticeship. The following are some online options (we do not endorse any specific vendor) or you can enroll somewhere else. Upon completion, provide Genene Bunders with a copy of your completion certificate/card.
