

# DUAL ENROLLMENT

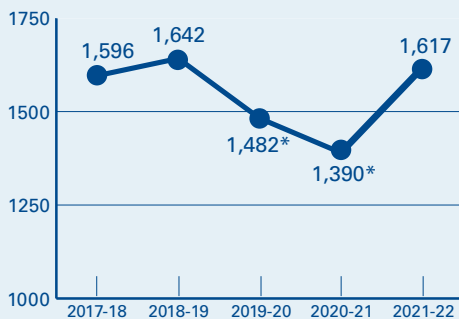

*Brooklynn*

ITHACA HIGH SCHOOL AND COLLEDGE UP NURSING PROGRAM STUDENT

"The Colledge Up program has been a wonderful opportunity for me. I was able to start my college journey while still in high school. I have learned time management, critical thinking, teamwork, and many more important life skills and personal values. Because of this program, I will graduate with my associate degree and become an RN less than one year out of high school. I will forever be grateful for both Southwest Tech and my high school, Ithaca High, for allowing me such an opportunity. I encourage every student to take advantage of this opportunity by participating in the Colledge Up program."

## 5-YEAR OVERVIEW OF TOTAL UNDUPLICATED DUAL ENROLLMENT STUDENT PARTICIPATION

Includes Transcribed Credit, Start College Now, Youth Options, Course Options, Youth Apprenticeship, Colledge Up, and 38.14 contracts

\* Overall decrease in these years was due to a reduction in transcribed credit agreements with the implementation of HLC credentialing requirements for high school dual credit instructors. Other dual enrollment programs showed increased participation.
