 - or** Program Activities (Course #10-307-103)
 - Preschool Capstone (Course #10-307-130)

The capstone is the last course you take prior to completing the Preschool Credential. The intent of this capstone course is to cover and revisit some important themes from the prior five courses. You will synthesize the information and demonstrate mastery of the competencies through the completion of a portfolio.

Elements of the Preschool Credential include:

- Geared to the unique needs of the child care practitioner
- Credit based courses
- A capstone or seminar
- Completion of a portfolio
- Present portfolio or project to a commissioner

**Classes can be taken in any order but the Preschool
Capstone class must be your final class.**
