## The Little Bundle Superdad Scholarship

Tuition Assistance and Baby Formula Award - Supporting Single Fathers and Their Loved Ones

### About the Scholarship

#### Scholarship awards available for both College and High School Students

At Little Bundle, we never underestimate the challenges that come with being a parent -- especially when you're raising a family by yourself.

We think it's very important to recognize that being a single father comes with its own unique difficulties. Even though there are [2.5 million single dads](#) in the United States (making up nearly [a quarter](#) of all single-parent households), single dads are often [overlooked and underestimated](#). At Little Bundle, we know there are countless fathers doing an amazing job of shouldering all of the parenting responsibilities on their own. However, we also understand that the demands of single parenthood can make it very tough to focus on your own goals and aspirations.

That's why we want to show our solidarity with single dads, the children of single dads, and those whose lives have been positively impacted by single dads. Our mission with the [Little Bundle Superdad Scholarship](#) is to recognize the single fathers who are doing their absolute best for their children, despite not always having the time or resources that they would like.

Focusing on education is a fantastic way for single dads to give their children the best possible start in life. In addition to supporting single dads who are pursuing their own higher education goals, the Little Bundle Superdad Scholarship also lends a hand to the high school and college-aged children of single dads, in recognition of the paternal love and support that helped them get to this point.

Not only does a bachelor's degree translate to higher earnings over the course of one's career, but it also serves to inspire the next generation by demonstrating that no matter the personal obstacles, it's important to set goals and work hard to achieve them. We want single dads and their children to feel empowered by their achievements as a family, and be able to seize each and every opportunity that comes their way.

Our goal with the [Little Bundle Superdad Scholarship](#) is to make things a little easier for single dads and their loved ones. Similar to our [Supermom Scholarship](#), twice a year, we're giving one high school winner and one college winner help with tuition, in the form of a \$1,000 high school award and a \$2,000 college award. Each winner will also be entitled to a year of free organic baby formula from Little Bundle, which can be redeemed right away, deferred for later use, or donated to a friend or loved one.

In your application for the **Little Bundle Superdad Scholarship**, we want to know how you do it. We want to hear about the challenges you've faced while juggling fatherhood and education, how you make ends meet, and what motivates you to keep going and keep dreaming. We'd love to hear about your relationship with your children and why you think that education is important -- not only to your life, but to their future, as well. Tell us what makes life as a single dad rewarding, and what special moments have stuck with you during your parenting journey.

We'd also like to hear from applicants who are the child or loved one of a single father. What challenges did your dad have to overcome? Are there memories from your childhood in which your "superdad" inspired you, or taught you a valuable life lesson? We want to know how being raised by a single dad has impacted your life and your plans for the future.

Whether you're a single father yourself, or the child or loved one of a single father, we especially want to hear about your dreams and goals. What do you hope to accomplish in terms of your education, career, and family life?
