SUMMARY

At Southwest Tech, we believe in the power of education to change lives. Our Adult Education program provides a welcoming environment where learners of all backgrounds can build the skills they need for personal and professional success. As an Adult Education Instructor, you will play a crucial role in empowering students—whether they are working toward a GED/HSED or developing career-ready skills. You will help create opportunities that lead to better jobs, stronger communities, and brighter futures.

This position is part time/ non benefited. The instructor will be scheduled to work between 15-20 hours per week at the Platteville Outreach Site in Platteville, WI.

WHAT YOU'LL DO

- Assist students in creating personalized student success plans that map their academic and career pathways, helping them set clear goals and actionable steps toward achieving their long-term aspirations.
- Teach a diverse group of adult learners, including those preparing for GED/HSED exams and English Language Learners.
- Create a welcoming, student-centered classroom that supports different learning styles and life experiences.
- Integrate real-world employment skills such as career assessment, resume writing, interviewing, and workplace communication into lessons.
- Support students in setting and achieving their educational and career goals.
- Assess student progress through formal and informal methods and provide constructive feedback.
- Design and adapt curriculum to ensure accessibility for all learners using Universal Design for Learning (UDL) principles.
- Foster a welcoming and respectful learning environment that encourages persistence and success.
- Utilize technology to enhance learning, including computer-aided instruction and online resources.
- Promote continuous quality improvement of curriculum and program operations to increase program effectiveness and better serve students.
- Model the college's Core Abilities.
- Maintain confidentiality and adhere to FERPA guidelines.
- Other duties as assigned.

WHO WE'RE LOOKING FOR

- A passionate educator who believes in the transformative power of adult education.
- A creative, flexible instructor who can adapt to the diverse needs of adult learners.
- A self-motivated and enthusiastic professional who takes initiative in supporting student success.
- A strong communicator who can build relationships and provide meaningful support to students.
- A team player who is excited to collaborate with colleagues to enhance student success.

REQUIRED QUALIFICATIONS

- Bachelor's Degree in Elementary, Secondary, or Adult Education and certification requirements of the Wisconsin Technical College Certification.
- Two years of classroom instruction experience.
- Understanding of applied academics and integrated curricula.
- Basic knowledge of adult/family support agencies and working with dislocated workers.

- Proficiency in using technology to support instruction.
- Valid WI Driver's License and satisfactory driving record.
