

Health/Physical Examination and Immunization and TB Skin Testing Requirements

Enclosed in this packet are forms you will need to complete and submit to the College Health Records Office to meet designated clinical/practicum requirements for your program. Please read the instructions carefully to assure you complete all the appropriate forms.

Students are responsible for **ALL COSTS** related to meeting health/physical exam requirements. Students must complete health/physical exam requirements at their primary health care provider's office.

Health/Physical Examination Form

- Date of physical exam must be no more than two years prior to the start of the clinical or practicum experience and must be updated every two years
- Interscholastic Athletic Association Sports Card **will not** be accepted
- Complete personal information at the top of the form, including program selection
- Physical Findings (on front section of the form) must be completed and signed by an MD, Certified Nurse Practitioner, or Physician Assistant
- Be sure to complete the back side of the Health/Physical Form

Immunization / Communicable Disease & Allergy History on Back of Health/Physical Exam Form (submit ALL requested information)

_____ Hepatitis B Vaccine

- Need documented proof of 3 vaccine dates on the Health/Physical Examination Form, **OR** if you cannot find documented proof of vaccine dates, you can have a blood test/titer to indicate immunity

_____ MMR Vaccine

- Need documented proof of 2 vaccine dates, or if unable to find documented proof, have blood test/titer completed that indicates immunity

_____ Varicella (Chicken Pox)

- Need documented proof of 2 vaccine dates, or if unable to find documented proof, have blood test/titer completed that indicates immunity

_____ TDAP

- Need documented proof vaccine that has been updated with the last 10 year.

_____ Influenza

- Need documented proof of vaccine for current flu season (October through March)

TB Skin Testing Requirements

Annual Mantoux TB Skin Test - Documentation of the following is required:

*Provide documentation of last 2 TB skin test (TST) no more than 12 months apart **or**

*A QuantiFERON Gold test or a T-Spot test within the last 12 months

Or

*If you have never had a TB skin test before, or have let more than 1 year lapse since your last one, you will need to have a “2 step” TB skin test or a QuantiFERON Gold test or a T-Spot test. The second test must be done at least 7 days from when 1st one is **READ** but within 3 weeks and subsequent annual TB screening is required

*A **positive** TST, QuantiFERON Gold test or a T-Spot test, requires all of the following
Documentation of the Positive results

Documentation of a negative chest x-ray after the positive TB testing result—One baseline to be submitted

All forms and laboratory test results must be submitted to the College Health Records Office at Southwest Tech for review and acceptance before they are considered complete. This may be accomplished by mailing documents to the College Health Records Office, faxing forms to 608-822-2776, emailing information to vreynolds@swtc.edu, or by hand delivering forms to the Health Records Office (Room 2621 on the 2nd Floor of the Health Science Center). You can monitor the status of your Health Requirements by logging into your [My SWTC student portal](#) at www.swtc.edu.

If you misplace your health forms, visit the Southwest Tech web site at www.swtc.edu, scroll to the bottom of the page, and click the link to “Health/Physical Forms” listed under Forms.

You may contact the College Health Records with questions or to check on the status of your paperwork at any time. Thank you.
