**Caravel Autism Health**

We are seeking Behavior Technicians! As a Behavior Technician, you will interact with children on the autism spectrum, in their own homes. We utilize a results-oriented approach called applied behavior analysis, which involves observing how our clients react to their environment and how they respond to people around them. You will engage these special kiddos in fun activities to help build their skills and social awareness and document their progress. No experience is required and we provide paid training.

**Cardinal Glass IG**

Electro Mech Tech

**Casino Queen Marquette**

Casino Queen Marquette is seeking fun and interactive people to join our Casino Queen family. The ideal candidate will be attentive and customer focused individuals who enjoy working with people in a fun environment. We have various hospitality positions in the areas of food and beverage, finance, security, maintenance and housekeeping, and casino operations. Casino Queen Marquette is truly one of a kind. With a track record of providing the friendliest service for our many guests, we are constantly challenging the norm for improvement to better serve our players and our community.
